All subject selections must be completed through a student's OneSchool profile. Please see the "Subject Selection" page on the CDSHS website for more information.

Students are welcome to visit the Engagement Centre or Guidance Officers if they require any assistance.

Planning Purposes Only

QCE Queensland Certificate of Education	Learner Profile:	SENIOR STUDIES PATHWAY OPTIONS	Possible patterns of subject choices:
<p>Students achieve their QCE through successful completion of their subjects and/or certificates courses in Years 10, 11 and 12 to earn at least 20 credit points.</p> <p>Students MUST pass Maths and English to earn the CORE credits.</p>	<p>You are a high performing, highly motivated, organised academic student who plans to study at university after graduating Year 12. You usually work hard and achieve A's and/or B's on your report card.</p>	<p>Intensive Academic Pathway <i>With achievement of the required results, this pathway may lead to direct entry to university after graduating Year 12.</i></p> <p>CHOOSE FROM: ATAR or International Baccalaureate Diploma Programme (IBDP) pathway.</p>	<p>Consider choosing either the International Baccalaureate Diploma Program (IBDP) OR 6 General subjects</p>
	<p>You achieve good results, are organised and motivated to study and value tertiary studies at TAFE and/or University as an option after graduating Year 12. You usually work hard and achieve B's and C's on your report card but, due to your efforts and interests, you can earn A's too.</p>	<p>Tertiary Options Pathway <i>With achievement of the required results, this pathway may lead to direct entry to TAFE or College for a Diploma or to university after graduating Year 12.</i></p>	<p>Consider selecting a minimum of 5 General ATAR subjects with a flexible option for your other subject. This may include an Applied subject or a Year 11 study option such as a Diploma or Certificate course running on Options Day.</p>
	<p>You prefer hands-on learning and have specific areas of interest and strength. You may be interested in further studies at TAFE or entering the workforce.</p>	<p>Work Readiness Pathway <i>This pathway may provide students with excellent preparation to transition from school to TAFE or the workforce after graduating school.</i></p>	<p>Consider selecting 6 Applied subjects or 5 Applied subjects with a TAFE or WYNMET course and/or a School-Based Apprenticeship or Traineeship.</p>
	<p>You prefer hands-on learning and have specific areas of interest and strength and possess a strong desire to enter the workforce after completing your Year 10 studies.</p>	<p>Life and Work Skills Pathway <i>Students on this pathway will receive a very practical, skills-based education to prepare them with work readiness skills.</i></p>	<p>Consider selecting from the Applied Subjects, and/or a WYNMET course in Year 10, and/or seek assistance to gain a School-Based Traineeship.</p>
