LINE 6	Future Focus Program			

Pathways to Tertiary Studies: Achieve an ATAR score OR some universities will accept a Certificate 3 or above with a pass in English (or Essential English) as meeting entry requirements. Please check with the institution.

ATAR Calculation

Best five (5) QCAA General Subjects	Or	Best four (4) QCAA General Subjects plus Best result in one (1) QCAA Applied Subject or Certificate III/Certificate IV/Diploma/Advanced Diploma
- If the student is eligible for an ATAR in both categories, the highest will be used. Student must achieve at least a sound in an English subject (English, Literature or Essential English) to be eligible for an ATAR. - The English result will only be used if it fits the pattern above.		

QCE Queensland Certificate of Education	Learner Profile:	SENIOR STUDIES PATHWAY OPTIONS	Possible patterns of subject choices:
Students achieve their QCE through successful completion of their subjects and/or certificates courses in Years 10, 11 and 12 to	You are a high performing, highly motivated, organised academic student who plans to study at university after graduating Year 12. You usually work hard and achieve A's and/or B's on your report card.	General Pathway (Academic) <i>With achievement of the required results, this pathway may lead to direct entry to university after graduating Year 12.</i>	Select 5 General subjects or 4 General subjects and 1 Applied subject. All students will also complete the Future Focused Program.
	You prefer real life and/or hands-on learning and have specific areas of interest and strength. You may be interested in further studies at TAFE or	Applied Pathway (Vocational) <i>This pathway may provide students with excellent preparation to transition from school to TAFE or the workforce after graduating school. University</i>	Select 5 Applied subjects. All students will also complete the Future Focused Program. A certificate course or a School-Based Apprenticeship/ Traineeship may also be completed as

earn at least 20 credit points.	entering the workforce.	<i>entrance may still be possible subject to individual university entry requirement.</i>	part of the 10-12 program of study.
