Onboarding to Intune

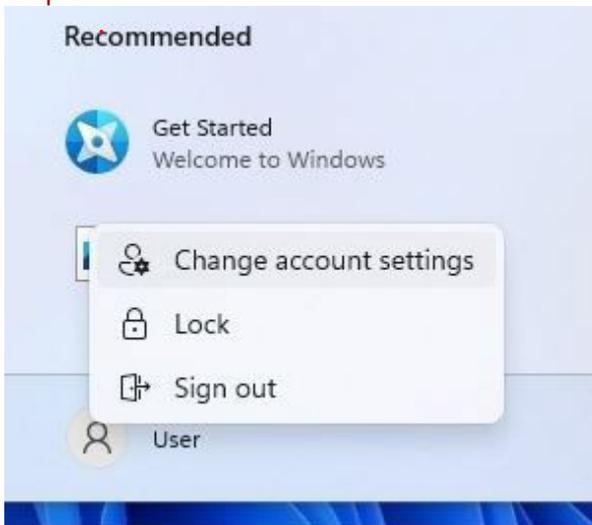

Windows version

Step 1

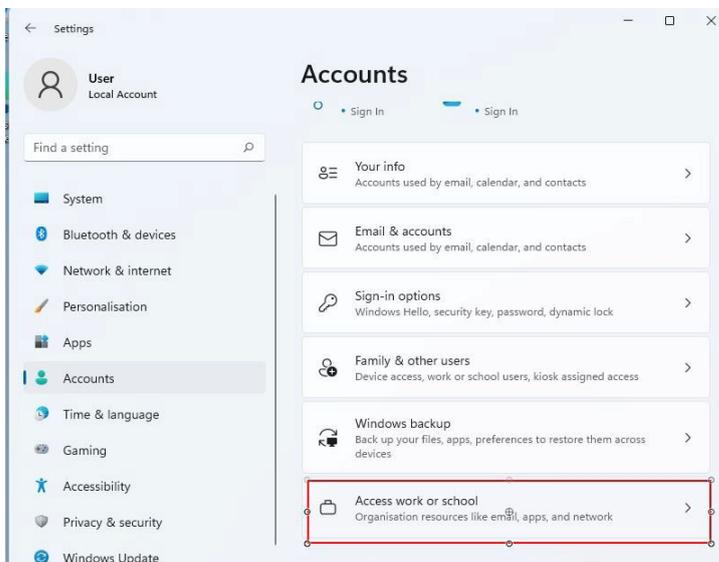

Select the **person** icon.

Step 2

Select **Change account settings**.

Step 3

Select **Accounts** from the left then

Select **Access work or school**.

If your School account is already listed, select it and then select Disconnect.

Then select **Connect**

Step 4

Enter your school @eq.edu.au email address and select **Next**.

Step 5

The username may appear in the Username field in the Managed Internet Service screen.

If not, please enter your username, password, accept the terms and conditions, and **Sign in**.

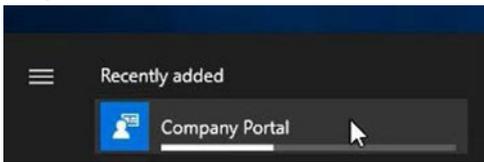

Then select **Done**.

Step 6

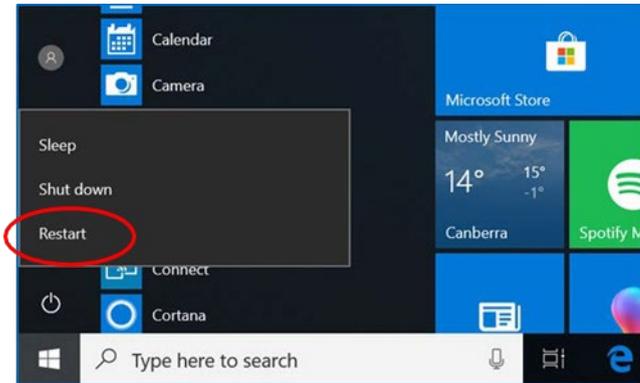

Check your account has been added. Your account details will be displayed

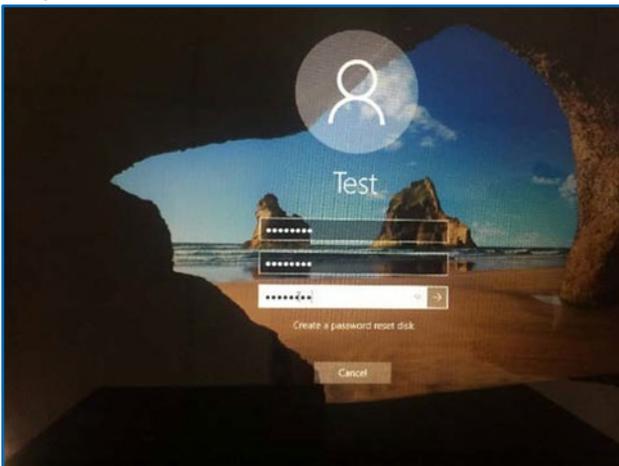

Step 7

Step 8

Step 9

Select the Windows icon at the bottom left-hand corner. The Company Portal app will install when connected to your home network.

Please restart your device. Select the **Windows icon** at the bottom left-hand corner, then the **power symbol** and then **restart**.

Settings will differ for everyone and you may be prompted to change your password. If you are, please do so.

When your device has restarted, the Intune set up is completed. It may take up to 15 minutes to finish installing. You can use your device in the meantime but please keep it connected to the internet.

You are now ready to install the apps your school has recommended.
