

Important Information for Students and Parents/ Caregivers

School policy and procedures discussed in this document, including the **Student Code of Conduct**, can be located on the school website: <https://clevelanddistrictshs.eq.edu.au/our-school/rules-and-policies>

Attendance

All students are expected to attend regularly as part of their obligation of continued enrolment. Absences must be explained by the parent/guardian. Students should only be absent on account of illness or special circumstances. Students must attend sport and parents should avoid using this time to make appointments for students. Students who have excessive absences may not fulfil the requirements needed to progress to the next year level or receive certification from the Queensland Curriculum and Assessment Authority (QCAA) – Queensland Certificate of Education (QCE).

- Students must attend all timetabled classes including parades and assemblies.
- All unexplained absences are recorded on student report cards.
- **Students who are late to school** must report immediately to the Administration Office. Parents are required to notify the school via QParents, SMS message 0427 916 282, Email absence@clevelanddistrictshs.eq.edu.au, Absentee Line: 07 3824 9280 or by providing a note for their student to present on arrival at school.

Absences

Parents/ Guardians must notify the school before 9am of their student/s absence/s via

- QParents
- SMS message 0427 916 282 (do not use emojis)
- Email absence@clevelanddistrictshs.eq.edu.au
- The absence line: 07 3824 9280

Please clearly state the student's full name, home group and brief reason for absence (eg sick, holiday, family). Advise the days and dates of the absence and expected date of return.

Leave Pass Procedure

Generally, students should not leave the school grounds during the day and leave passes are issued on an individual basis in special circumstances. Students are to collect signed passes at morning tea. Parents can request a leave pass by:

- Calling the leave pass line on 3824 9222 (Ext 2), or
- Email: leavepasses@clevelanddistrictshs.eq.edu.au
- Place a note in the drop box outside student counter before school

Messages should include details of the reason for leaving school early. Parents should not arrive to collect students from the office without prior arrangements being made using the leave pass procedure. Students cannot be easily contacted in class and require a leave pass from Administration before a teacher will allow them to leave a class. A member of Administration cannot leave their duties to collect students from class.

Students may never leave the school grounds without a leave pass. Consequences will be put in place for students who leave the school grounds without permission.

Sick Bay Procedures

Students who become ill or have an accident during the day are to report to the Sick Bay in the Administration Block, or one of the school's first aid stations located in C, U and V block for treatment. Students reporting during lessons must have a note from their teacher.

Students who become ill are not to contact parents directly. All phone calls to parents/carers regarding accident or illness are to be made by the school. It is a requirement of our Duty of Care that we contact the parent. Sick Bay staff will make contact as soon as the student presents at Sick Bay.

Please make sure that contact details are kept up-to-date and include the contact details of a responsible adult who can collect your child if parents/guardians are unavailable.

Medication at School

For Medication that needs to be administered while your student is at school parents/carers need to provide:

- a completed and signed [consent to administer medication form](#);
- the medication in its original container with prescription label; and
- Medical authorisation – A letter from the health practitioner and/or health action plan.

Expired and unused medications must be collected by the parent/carer.

Please note the school does not provide medications such as Panadol for student use.

If your child is at risk or has anaphylaxis, an up-to-date action plan needs to be provided. The student should also carry a copy of their plan with their emergency medication (insulated) in an easily accessible part of their school bag.

For medical conditions that may require assistance at school, a parent may need to complete a referral for Education Queensland Nursing Services. This includes but is not limited to a range of conditions such as epilepsy/seizures, diabetes and heart conditions.

First aid medical supplies are only issued for injuries or accidents that occur at school. If your student requires medical supplies such as strapping tape, they must provide their own supplies.

Students are not permitted to have food delivered to school by any retail food provider, for example Uber Eats or McDonalds delivery. In line with EQ healthy schools' policies, students are not permitted to bring 'fast food' from take away stores onto school grounds, nor can parents or carers bring this type of food to the school for their student/s.
