Dear Parent/Caregiver,

RE: 2026 Student Resource Scheme (SRS) changes

The SRS for 2026 has been reduced significantly due to the new policy implemented by the government. The policy rationale was to reduce costs to families due to the cost of living.

The new *User Pays Model* has reduced the SRS base amount to **\$125 per student**. Invoices for other programs such as sport, excursions, student leadership programs and subject choices, will only be sent to the students involved. Therefore, families may find they receive more invoices from the school than in the past.

For your student to access resources from the start of the school year in 2026 (27th January), the SRS will need to be **paid in full by Friday 23rd January 2026**. There will be no discount or grace period. Invoices will be issued at the end of October 2025.

If you choose to make a payment plan, please contact our accounts department as soon as you receive your invoice. This will allow enough time (3 months) to ensure the SRS is paid in full, ready for the start of next year.

Yours sincerely,

Keryn Smith-Harvey
