International Baccalaureate Diploma Program Course Requirements 2024 – Year 11 &12

	Blue pens	
	Red pens	
	Black pens	
GENERAL ITEMS	HB pencils	
	Glue stick	
These general stationery	Ruler 30cm plastic clear	
items are required for your	Colour pencils	
IB program.	Highlighter (yellow, green, blue and red)	
You will have most of	Eraser	
these on hand already.	Stapler (with staples)	
	Sharpener	
	Memory device for backing up your IB notes and schoolwork.	
	I.e. external hard drive or high GB allowance USB.	
	Headphones	
	Scissors	

**NOTE TAKING** is a critical skill developed by all IB students. Your teacher will discuss note taking with you at the start of the year.

## For the first few days of school, please bring along one general notebook until your teachers have discussed the nature of note taking in their specific subject.

After listening to your IB teachers, some students will opt to have a 5 subject exercise book and others, a single exercise book such as an A4 Notebook 96pg for each subject. Other IB students may prefer to take digital notes on their laptops. Some subjects require a combination of both exercise notebooks and digital. We have found that it is better to be guided by your teacher first, **then** strategise as to how you will take notes.

**IMPORTANT** - If an exercise book is specifically listed below this is non-negotiable and will be required for that subject. You should have these resources prepared for your first day of IB classes.
