

Pathways for Senior Studies

| What type of learner are you? | You might enjoy and do well with this pathway... | Consider choosing these type of subjects |
|---|--|---|
| <p>High performing, highly motivated, organised academic students who plan to study at University after graduating Year 12. You usually work hard and achieve A's and/or B's on your report card</p> | <p>Intensive Academic Pathway <i>With achievement of the required results, this pathway may lead to direct entry to university after graduating Year 12.</i></p> <p>International Baccalaureate Diploma Programme (IBDP) OR ATAR pathway.</p> | <p>International Baccalaureate subjects OR 6 General subjects</p> |
| <p>Achieve good results, are organised and motivated to study and value tertiary studies at TAFE and/or University as an option after graduating Year 12. You usually work hard and achieve B's and C's on your report card but, due to your efforts and interests, you can earn A's as well.</p> | <p>Tertiary Options Pathway <i>With achievement of the required results, this pathway may lead to direct entry to TAFE or College for a Diploma or to university after graduating Year 12.</i></p> | <p>Consider selecting a minimum of 4 General ATAR subjects with flexible options for your other subjects. These may include an Applied subject and a Year 11 Monday study option such as the Diploma of Business or a Certificate III course.</p> |
| <p>Prefer hands-on learning and have specific areas of interest and strength.</p> | <p>Work Readiness Pathway <i>This pathway may provide students with excellent preparation to transition from school to TAFE or the workforce after graduating school.</i></p> | <p>Consider selecting 6 Applied subjects or 5 Applied subjects with a TAFE course and/or a School-Based Apprenticeship or Traineeship.</p> |
| <p>Prefer hands-on learning and have specific areas of interest and strength and possess a strong desire to access the workforce after completing Year 10 studies.</p> | <p>Life and Work Skills Pathway <i>Students on this pathway will receive a very practical, skills-based education to prepare them with work readiness skills.</i></p> | <p>Consider selecting from the Applied Subjects, and/or WYNMET in Year 10, and/or assistance to gain a School-Based Traineeship.</p> |
